Dear Mrs Foister

I would like to congratulate you, your staff, governors and pupils, on the outstanding result of your recent Section 48 inspection.

This is a real tribute to your leadership of the school, and the dedication of the whole school community. I was particularly pleased to read of the way your children are confident to speak openly about faith, and the caring relationships between children and all adults in the school. Please convey my thanks to all involved in preparation for this inspection, including your staff and governing body. Thank you too for creating and sustaining a Church of England school in Oakhill, where Christian values are worked out in every aspect of school life.

My warmest blessings for the future life of the school.

THE VEN NICOLA SULLIVAN
Archdeacon of Wells
